

Use the North Carolina Legislature's CTE Modernization and Expansion Grant for

iCEV's Comprehensive CTE Solution

iCEV is a comprehensive curriculum designed to meet North Carolina standards and engage your students through media-rich presentations, lesson plans, activities and more.

The best part is, iCEV satisfies the requirements for the North Carolina legislature's CTE Modernization and Expansion Grant for 2023-2025. This means your district can use state funds to purchase an iCEV subscription to meet state standards and prepare students for high-wage, high-growth careers.

With an iCEV subscription, you gain access to a curriculum that features:

1. Instructional strategies and guided lesson plans to assist teachers with classroom implementation and instructional differentiation.
2. Media-based instructional content for demonstrations and instruction on skills required for applicable career areas.
3. Multiple methods of instructional delivery, including face-to-face, self-paced, virtual or hybrid learning.
4. Guided projects and activities to incorporate hands-on application of skills.
5. A focus on mastery-based learning.
6. Reporting tools to provide data on student progress.
7. Opportunities for students to obtain industry-recognized certifications.
8. Career connections to provide examples of career opportunities following graduation from high school.
